This Cross pollination guide allows you to easily identify which apple tree varieties are compatible when cross pollinating.

These charts are intended as a guide only. Pollination is dependent on a wide variety of factors, including the coincidence of blossom and the action of bees and other means of pollen transfer. Different climatic conditions may also affect blossom timing and the setting of fruit.

Apple Pollination Chart

Cultivator \ Pollinator	Bolero	Charlotte	Flamenco	Polka	Waltz	Maypole	Gala	Granny Smith	Jonathan	Pink Lady	Golden Delicious	Red Delicious	Red Fuji	Cox's Orange Pippin
