PLANTS SUITABLE FOR COASTAL CONDITIONS

Below is a list of our most popular coastal trees and shrubs, listed by their Botanical Names. A Google search of the name will generally return very good facts about each of the plants. A "Google Image" search will return abundant photos of the plants.

Whilst these plants will tolerate coastal locations, it is advisable to check on suitability for each situation especially if you are in the front line of salt spray.

SMALL TO MEDIUM SHRUBS

Acemena smithii minor
Adenozanthus (Western Australian wooly bush)
Agapanthus
Agave attenuata
Bambusa Species (*Bamboo*)
Banksia ericifolia (*Heath Banksia*)
Banksia (*Candles*)
Banksia (*prostrate form*)
Callistemon species
Callistemon Captain Cook
Callistemon Dawson River Weeper
Callistemon Endeavour
Callistemon Hannah Ray
Callistemon Kings Park Special
Callistemon Little John
Callistemon salignus (*Willow bottle brush*)
Callistemon viminalis (*Weeping red bottle brush*)
Cordyline australis (*New Zealand Cabbage Tree*)
Correa Species (*Australian Fuchsia*)
Cupressus macrocarpa (*Monterey Cypress*)
Cytisus spachinus (*Broom*)
Dodonaea viscosa

Euphorbia martinii
Escallonia species
Escallonia pink pixie (dwarf species)
Gaura Species
Grevillia Species
Hebe Species (*Veronica*)
Juniperus Species
Lantana Species
Lavandula angustifolia syn. *Lavandula officinalis* (*Lavender*)
Leucophyta brownii (CUSHION BUSH)
Leucospermum
Lomandra seascape
Murraya
Myoporum floribundum (*Weeping Boobalia*)
Myrtus
Nerium Species
Pelargonium australe
Phormium Species (*Flax*)
Rosemarinus (*Rosemary*)
Westringia Species
Westringia fruticosa (coastal rosemary)
Westringia wynyabbie gem
Westring jervis gem
Westring wynyabbie gem
xanthorrhoea (Grass tree)

TALL SHRUBS

Agonis burgundy
Buddleia
Casuarina glauca (*Swamp Oak, Swamp She-Oak*)
Ceanothus Species (*Californian Lilac*)
Coprosma Species
Cotoneaster Species
Cupressocyparis leylandii (*Leyland Cypress*)
Cupressus sempervirens (*Italian Cypress, Mediterranean Cypress*)
Magnolia grandiflora varieties
Metrosidoris tahiti
Metrosidoris tomentosa variegata (*NZ christmas bush*)
Metrosideros excelsus *syn. Metrosideros tomentosus* (*New Zealand Christmas Bush*)
Nerium (*Oleander*)
Pittosporum crassifolium (*Karo*)
Rosmarinus officinalis (*tuscan blue*)
Viburnum tinus (*Laurustinus*)
Waterhousea floribunda

ORNAMENTAL TREES

Acer negundo sp
Acer negundo (Aureo-Marginatum)
Acer negundo (Flamingo)
Acer negundo (Sensation)
Acer negundo var (Violaceum)
Acer negundo (Variegatum)
Agonis flexuosa sp.. (*Western Australian Willow Myrtle*)
Agonis 'Burgandy'
Agonis 'After Dark'
Albizia julibrissin (Silk tree)
Alnus incana
Arbutus unedo (*Strawberry Tree*)
Banksia intergrifolia (*Coast Banksia*)
Casuarina cunninghamiana (*River Oak, She Oak*)
Crataegus laevigata (Rosea flore plena)
Crataegus laevigata (Pauls scarlet)
Eucalyptus coccifera (*Tasmanian Snow Gum*)
Eucalyptus globulus (*Tasmanian Blue Gum*)
Ficus macrophylla (*Moreton Bay Fig*)
Fraxinus sp (Ash Species)
Grevillea sp

Grevillea robusta (silky oak)
Grevillea rosmarinifolia (rosemary grevillea)
Grevillea superb
Grevillea winpara gold
Hakea laurina (Pincushion Bush, Sea Urchin)
Laurus nobilis (*Bay Tree, Bay Laurel*)
Lepotspermum
Illex aquifolium (*English Holly*)
Liquidambar styraciflua
Liquidambar styraciflua (Rotundiloba)
Magnolia grandiflora var (*Little Gem, Greenback, St Mary's Exmouth*)
Melaleuca quinquenervia (*Broad Leafed Paperbark, Punk Tree*)
Morus alba (*Pendula*)
Olea sp(*Olives*)
Platanus x acerifolia (London Plane)
Prunus cerasifera (Nigra)
Prunus cerasifera (Oakville crimson spire)
Prunus x blireana
Robinia pseudoacacia (Frisia)
Robinia pseudoacacia (Casque Rouge)
Robinia x ambigua (Decaisneana)
Robinia x slavinii (Hillieri)
Salix caprea (Kilmarnock Willow)
Shinus molle var. ARIERA *syn. Schinus areira* (*Pepper Tree, Peppercorn*)
